Re: Petition Challenging Prevailing Wage Rates Effective July 10, 2017

Dear Mr. Beyer:

This Firm represents the Illini Asphalt Corporation, hereafter "Petitioner." I am writing on Petitioner's behalf to provide written notice objecting to the Illinois Department of Labor's Prevailing Wage Rates Effective July 10, 2017. Notice is provided pursuant to 820 ILCS §§ 130/4 and 130/9.

Petitioner is a construction industry employer in Illinois; petitioner pays prevailing wage rates on public projects and is financially affected by those rates.

Petitioner has assembled a table of the errors and omissions in the 2016 prevailing wage rates published by the Department. I have attached the table as Exhibit A.

Petitioner requests an investigatory hearing to establish the proper prevailing wage rates for the counties, regions, and types of work identified in Exhibit A.

So we may prepare for the hearing, please forward to me the information the Department of Labor relied upon in making the wage rate determinations.

Thank you for your attention to this matter. Please contact me if you have any questions.

Sincerely,

Andrew J. Martone
