WRITTEN OBJECTIONS AND REQUEST FOR SECTION 9 HEARING

Now comes Patrick Gleason, a member of International Brotherhood of Teamsters Local 26, Teamsters Joint Council 25, and International Brotherhood of Teamsters Locals 26, 50, 371, 525, 627, 722, 916, 179, 301, 325, 330, 673, 786 and 731 (collectively, "Petitioners"), and submits these objections to the prevailing wage schedule and certain rates published on the Illinois Department of Labor's ("IDOL") official website to be effective August 15, 2018 as the prevailing wage rates, as well as the deletion and/or omission by the IDOL of established classifications from the published prevailing rate schedule.

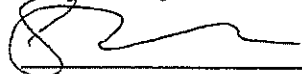

The objections are based on the fact that the rates and/or classifications published by the IDOL, as described in Exhibit A, do not reflect the current prevailing wage rates or current established classifications for purpose of the Illinois Prevailing Wage Act (the "Act").

Petitioners' members perform the work in the affected classifications on public works as defined in the Act and are, therefore, affected by the prevailing wage rates established by the IDOL for the affected classifications. The IDOL has historically used the work performed by and wages paid to Petitioners' members in the affected classifications when working on public works jobs to establish the prevailing wage rates on public works in Illinois in the affected classification and in the affected counties.

The prevailing wage rates published by the IDOL to be effective August 15, 2018 do not reflect the current prevailing wage rates or current established classifications in the counties identified in **Exhibit A**. Petitioners set forth in **Exhibit A** the correct classification in each county and the wage and benefit rates that actually prevail in those classifications.

Based upon these written objections, Petitioners' request an investigatory hearing be held in accordance with Sections 4 and Section 9 of the Illinois Prevailing Wage Act, 820 ILCS 130/4, 9, to establish the correct the prevailing wages rates, correct the deletion of established classifications, to reestablish the classifications and to correct errors in the setting of the prevailing wage rates for the affected classifications in the identified Counties consistent with **Exhibit A**.

Respectfully submitted

Robert S. Cervone
